ANGELS WE HAVE HEARD ON HIGH

Angels we have heard on high
Sweetly singing o'er the plains
And the mountains in reply
Echoing their joyous strain

Shepherds why this jubilee,
why your joyous strains prolong
What the gladsome tidings be,
which inspire your heavn'ly song

Glo - o - o - o - ria,
in excelsis Deo
Glo - o - o - o - ria,
In excelsis - o

Come to Bethlehem and see,
Him whose birth the angels sing
Come adore on bended knee,
Christ the Lord, the newborn King

Glo - o - o - o - ria, in excelsis De - o
Glo - o - o - o - ria, in excelsis De- o

(Soft) See Him in a manger laid,
Jesus Lord of heav'n and earth
Mary, Joseph, lend your aid,
(Crescendo) sing with us our Savior's birth

Glo - o - o - o - ria, in excelsis Deo
Glo - o - o - o - ria, in excelsis De- o

Glo - o - o - o - ri - a, in excelsis De - o
Glo - o - o - o - ri - a, in excelsis

Reaching down into the deepest night
To the world hope has come
In the dark the Light of Life has dawned

Oh how can it be that Heaven has come (to us)

Unto us meek and mild
God eternal born a helpless child
Set aside Heaven's throne
Veiled in weakness came unto His own

Chorus 1

What a myst'ry oh what love
Oh how can it be that Heaven has come
What a myst'ry oh what love
Oh how can it be that Heaven has come (to us)

Verse 3

Unto us grace has come
Here to seek and bring the sinner home
Lived to die rose to reign
Son of Man the Lamb for sinners slain

What a myst'ry oh what love
Oh how can it be that Heaven has come
What a myst'ry oh what love
Oh how can it be that Heaven has come (to us)

EMMANUEL

Verse

In the beginning, You spoke there was light
Your word formed creation Your breath gave us life
We walked in the garden, it brought You delight
How You love to be with us, we were fully alive

You have always been, You will always be
Em - manu - el

Our fellowship broken as we were deceived
The joy of the garden was now out of reach
You chose to pursue us, You longed for us still
You did not forsake us and You never will

You have always been, You will always be
Em - manu - el

A pillar of fire that led through the night
A cloud of Your glory, no one could deny
We built You a temple, but You wanted more
You longed for a people that could be called Yours

You have always been, You will always be
Em - manu - el

Then in the si-lence the Word became flesh
Our God dwelt among us, You gave us Your best
You offered com - muni-on, You gave up Your life
You rose up in victory and healed the di-vide

You have always been, You will always be Em - manu - el
Em - manu - el Em - manu - el

The day is soon coming, You will be revealed

Your dream of com - munion, finally full -filled
We'll see a new heaven and walk a new earth
You will be ours, Lord, and we will be Yours

You have always been, You will always be Em - manu - el
Em - manu - el Em - manu - el

In this very moment, God You are here
You're with and with - in us, You love to be near
Filled with Your Spir - it, a promise of love
A blessed as - surname of what is to come

You have always been, You will always be
Em - manu - el
